

# Maiden Cove Snow Policies

*Announcements will be made on WGAN and WGME*

**Winter Recess:** As a school policy, we do not go outside if the temperature is below 20° (factoring in wind chill). However, if we have had multiple cold days, we may take the children outside for shorter periods of time. Please send your child to school with winter gear, regardless of temperature, because it often warms up enough to take them out for the second recess.

**Snow Days:** Sandy will make the final call for cancelations or late starts. Your child's head teacher will email you before 6:00AM.

**Late Start:** Our Late Start times are as follows:

- 9:30 AM: Full Day Program
- 10:00 AM: All Half Day Programs and 5+

**Power Outage:** If the school does not have power, you will be notified by 7:00 AM that school will be cancelled.

Thank You  
The Maiden Cove Staff
